

Research Interests

Phonology, phonetics, and their interfaces with morphology

Phonetically-based phonology, Language typology, Long-distance phonological phenomena,

Phonotactics and its link to alternations

Education

Ph.D	Seoul National University Linguistics	2019 ~ present
M.A.	University of Southern California Linguistics • Thesis: Sub-segmental structure as a factor for phonological similarity	2018
M.A.	Seoul National University Linguistics • Thesis: Target Asymmetries in Consonant Harmony	2016
B.A.	Seoul National University Linguistics, <i>Summa Cum Laude</i> • Thesis: Ellipsis of Korean Subjective Markers: A Corpus-based Analysis	2011
Exchange Student	University of New South Wales (Sydney, Australia)	2008

Papers

2022. Jongho, Jun, Hanyoung Byun, Seon Park, and Yoona Yee. How tight is the link between alternations and phonotactics? Submitted to *Phonology*

2018. Yoona Yee. Sub-segmental structure as a factor for phonological similarity. *M.A. Thesis* at University of Southern California

2016. Yoona Yee. Target asymmetries in consonant harmony. *M.A. Thesis* at Seoul National University

2015. Yoona Yee. Target asymmetries in consonant harmony. *Proceedings of the 2015 spring meeting of Korea Circle of Phonology*, pp.183-200. (interim version of MA thesis)

Presentations

2022. Jongho, Jun, Hanyoung Byun, Seon Park, and Yoona Yee. How tight is the link between alternations and phonotactics? Poster presented at AMP 2022 (Annual Meeting on Phonology)
2022. Yoona Yee. Exploring the relationship between the alternations and phonotactics of Sundanese long-distance liquid assimilation and dissimilation. Invited Talk at the 2nd Workshop on Language Faculty Science
2021. Yoona Yee. Testing the productivity of compound tensification in Seoul Korean. Talk presented at SWELL 2021 (SNU Workshop on Empirical and Laboratory Linguistics)
2021. Jongho, Jun, Hanyoung Byun, Seon Park, and Yoona Yee. How tight is the link between alternations and phonotactics? Talk presented at SWELL 2021 (SNU Workshop on Empirical and Laboratory Linguistics)
2021. Yoona Yee. Exploring the relationship between alternation and phonotactics of Sundanese long-distance liquid assimilation and dissimilation. 2021 LSK Young Scholar Symposium (the talk winning the Grand Prize at the Best Presentation Award)
2021. Yoona Yee. Exploring the relationship between alternation and phonotactics in Sundanese liquid assimilation and dissimilation. Talk presented at 2021 Spring conference of The Phonology-Morphology Circle of Korea
2020. Yoona Yee. Exploring the relation between alternation and phonotactics of Sundanese liquid assimilation and dissimilation. Talk presented at SWELL (SNU Workshop on Empirical and Laboratory Linguistics)
2020. Jongho, Jun, Hanyoung Byun, Seon Park, and Yoona Yee. How tight is the link between alternations and phonotactics? Talk presented at SWELL (SNU Workshop on Empirical and Laboratory Linguistics)
2018. Yoona Yee. Implicational universals in the typology of consonant harmony. Talk presented at GLOW 41 Phonology Workshop on long-distance segmental phenomena, Budapest, Hungary, April 10.
2015. Yoona Yee. Target asymmetries in consonant harmony. *Proceedings of the 2015 spring meeting of Korea Circle of Phonology*, pp.183-200. (interim version of MA thesis)

Teaching

At University of Southern California, as TA

Language and Society (LING 115)

2017-2018

- Instructor: Mary Washburn (2018 Spring)
Andrew Simpson (2017 Fall)

At Seoul National University, all as TA

<i>Languages of the World</i>	2021 Fall, 2022 Fall
• Instructor: Nayoung Park	
<i>Dual Language Use</i>	2022 Spring
• Instructor: Sookyoung Yang	
<i>Linguistics Seminar 2</i>	2020 Fall
• Instructor: Jongho Jun	
<i>Introduction to Morphology</i>	2020 Spring
• Instructor: Jongho Jun	
<i>College English Speaking Lab</i> (English Speaking Tutor)	2016 Spring
<i>Introduction to Phonology</i>	2015-2016
• Instructor: Jongho Jun	
<i>Introduction to Morphology</i>	2014-2015
• Instructor: Jongho Jun	
<i>College English</i> (English Writing Tutor)	2011-2015

Awards

Grand Prize at the Best Presentation Award of 2021 LSK Young Scholar Symposium Linguistic Society of Korea	2021
First Class Honor Award (<i>Summa Cum Laude</i>) Seoul National University	2011

Grants and Fellowships

Scholarship for the Grand Prize at the Best Presentation Award of 2021 LSK Young Scholar Symposium Linguistic Society of Korea	2021
Fellowship for Future Researchers in Fundamental Studies Seoul National University	2020-present
Fellowship for a Project to Foster a World Leading Department (10-10 Project) Seoul National University	2019
Dornsife/Graduate School Ph.D. Fellowship in the Social Sciences The Dornsife College of Letters, Arts and Sciences, University of Southern California	2016-2018

GSI Scholarship	2014-2016
Seoul National University	
KT&G fellowship	2011-2013
Korea Tobacco and Ginseng (KT&G) corporation	
<ul style="list-style-type: none"> • One of the 10 recipients elected out of 1,000 applicants 	
Eminence Scholarship (the top performing student - for the highest GPA - in the department)	2010
Seoul National University Linguistics Department	
Scholarship for superior academic performance	2008-2012
Seoul National University	

Professional Service

2021 SWELL (SNU Workshop on Empirical and Laboratory Linguistics) Winter Workshop, Seoul National University, Korea	2021
<ul style="list-style-type: none"> • Organizing Committee 	
2020 SWELL (SNU Workshop on Empirical and Laboratory Linguistics) Winter Workshop, Seoul National University, Korea	2020
<ul style="list-style-type: none"> • Organizing Committee 	
2016 Annual Meeting on Phonology, University of Southern California, USA	2016
<ul style="list-style-type: none"> • Student Volunteer 	
The Phonology Morphology Circle of Korea Winter Conference 2015	2015
<ul style="list-style-type: none"> • The Chair of Organizing Committee 	
The 21 st Japanese/Korean Linguistics Conference, Seoul, Korea	2011
<ul style="list-style-type: none"> • Student Volunteer 	

Professional Affiliations

The Phonology-Morphology Circle of Korea	From 2022-present
Linguistic Society of Korea	from 2021-present
Linguistic Society of America	from 2015-2018

Languages and Skills

Native:	Korean
Fluent:	English
Intermediate:	French (Intermediate reading, grammar, and conversation)

Basic: Spanish and Latin (Basic reading and grammatical knowledge)
Program: Matlab, R, Praat
